## Sommelier's Selection by the glass

Ground-breaking technology is ensuring Benares customers can now enjoy fine wines by the glass.

The Coravin™ technique allows wine to be enjoyed whilst the cork is left in place.

A thin hollow needle passes through the cork to access the wine whilst safeguarding it from oxidation.

The Coravin™ truly makes great wines more accessible, allowing you to taste some of the finest selections of wines from our cellar, by the glass.

**125ml**
